

A.A.S. Accounting > B.S. Accounting

The Accounting Major provides students with the skills necessary to prepare, communicate, and interpret an organization's financial data. Mount Mary University requires a minimum of 128 credits to graduate. The Accounting Examining Board of the State of Wisconsin requires 128 college credit hours to take the CPA Exam, but 150 credits to achieve certification. These additional credits can be obtained through various undergraduate course offerings, as well as graduate courses in the Master of Business Administration program at Mount Mary University. Contact the chair of the Business Department for further information.

Agreement Description: The purpose of this degree completion agreement is to provide a seamless transfer process for learners at Fox Valley Technical College to enter Mount Mary University for further education and credentials.

A.A.S. Accounting > B.S. Accounting

DEGREE REQUIREMENTS / 128 credits

^{*} This chart represents only those courses required for an AAS in Accounting from Fox Valley Technical College. A student may have accrued more credits, and up to 72 credits will be granted for courses at Fox Valley Technical College in which a student has earned a grade of "C" (2.0) or better.

Graduation Requirements:

- 1. A total of **128 credits** are required to graduate. (A minimum of 32 credits must be earned at Mount Mary. Up to 72 credits will be granted for courses at Fox Valley Technical College in which a student has earned a grade of "C" (2.0) or better.)
- 2. Course work must include writing, communication, mathematics, world language, and global competency. See current Undergraduate Bulletin for all graduation requirements.

48 credits must be earned in the core curriculum courses -- see chart below.
