

## FASHION PARIS-FACULTY LED PROGRAM ~ J-TERM 2019

**Meet Hayley, a Merchandise Management grad (2021!) who participated in the faculty-led program to Paris. Hayley is now a Merchandise Specialist at Kohls!**

*"I bring up my Paris program to everyone I've worked for!! Especially as you just start off in the industry-having an abroad program like this helped me stand out."*

### **Why did you choose Paris?**

-Paris is the home to many fashion houses so it makes sense to learn right in the heart of it. It was amazing to be there at the time of couture week and men's fashion week.

### **Housing:**

-We had the opportunity to live with the locals. Although space was tight and French doors are much harder to get unlocked, I am happy the experience was the way it was. We also were close to food markets and did a lot of grocery shopping and cooking in our apartments. Definitely recommend if you are on a budget!

### **Piece of Advice:**

-If you want to study abroad-work the overtime! There are many ways to help you financially-ask the questions-apply for the scholarship! You'll make it happen! This is a once in a lifetime experience.
