

it's a (fashion•art•design) show

Friday, May 9, 2025 | Mount Mary University

SPONSORSHIP OPPORTUNITIES

WHAT: CREO, Latin for to *make, create or produce*, is an annual celebration highlighting student work from fashion, studio art, and interior architecture. The celebration culminates in a student-run FASHION SHOW highlighting the collaborative and creative efforts of our design and fashion business majors. The show draws an audience of up to 1,000 attendees.

WHEN: Friday, May 9, 2025 • Shows at 1 p.m., 5 p.m. and 7:30 p.m.
Mount Mary University • Alumnae Dining Hall

WHY: The cost and effort required to produce a fashion show of this scale are significant. Almost half the expenses come from ticket sales, so there is a need to raise over \$20,000 through sponsorships to underwrite the remaining expenses.

YOUR IMPACT: The collaborative planning and production of this event teaches students the value of teamwork, accountability, clear communication, organization, budgeting, and goal setting through hands-on experiences. Mount Mary not only prepares students with the practical coursework and technology required for success in today's fashion industry careers, but emphasizes the development and practice of crucial 'power skills' in high demand by today's employers. All profits from CREO will directly benefit student learning and outcomes in the fashion program.

“ Participating in the Fashion Show Coordination class to create the 2023 CREO fashion show was an incredible experience for me as it pushed me out of my comfort zone and helped me grow as a creative. It also taught me the importance of teamwork and collaboration as I pursue my career aspirations. ”

– Jessica Rodriguez, Merchandise Management '24

2900 North Menomonee River Parkway | Milwaukee, WI 53222

Your investment in the CREO fashion show positively impacts Mount Mary students and helps to elevate art and fashion in southeastern Wisconsin.

A portion of all sponsorships are used for a materials stipend to enhance each senior collection with quality fabrics and trims.
